

THE HAVEN

NEWSLETTER OF THE ST KILDA BOAT CLUB

March 2023

***Twisted* with Zibo at the helm and crew Kenny Green;
Twilight Race 3, 17 February**

From the Poop Deck

Steve Vines, Commodore

The best boating of the year lies ahead of us over the next 3 months so why not get involved in some of the activities set to come. Catch a crab, catch a breeze or just catch your breath - any which way you choose to enjoy the water please stay safe and remember the rules.

Looking forward to another Commodore's pirate club race this Friday and with just over 2 minutes separating first from last boat on corrected time last race an even closer result is set up this time. It's not too late to join in the fun, just be at the end of the channel by 5:00pm and enjoy perfect conditions this week.

NOTE TO FISHERS—SNAPPER CLOSURE

The West Coast, Spencer Gulf and Gulf St Vincent/Kangaroo Island Fishing Zones are closed to Snapper fishing for an additional 3 years until **30 June 2026**.

Catch and release fishing is strictly prohibited in closed areas.

You may catch Snapper south of Kangaroo Island and on the South Coast with a limit of one Snapper per fisher and a boat limit of 3 Snapper. However, you must not transit through a snapper closure area if you have legally caught Snapper on board.

Sandbar Cricket 19 February

Once again the Cricket Crew arrived full of enthusiasm and looking for a sand bar. Fortunately enough appeared to allow the required number of overs to be completed (everyone got to bowl and bat, except the dogs).

Water, water, everywhere...

I think this guy has played before

Wally's unusual bowling style and a runner who's quick between the wickets

Catch and Cook Day 19 March

Yes, it's time to see who's smarter, you or the Blue Swimmer Crab.

The Annual Catch and Cook day is on Sunday, 19 March with prizes for Most Crabs and Biggest Crab (well, we actually we give the prizes to person who caught the crab, but maybe we should think of something for the crab...)

Notes from PIRSA

- When using nets you can use fish or fish based products but not any type of meat or poultry.
- Females with external eggs are protected and must be returned to the water immediately.

From the Mooring Master

You must notify the Mooring Master (Richie Low [0402 087 568](tel:0402087568)) **before** you tie up your boat to the maintenance wharf, unless it is for a short period of time (an hour or so).

In addition, do not tie up within 10 metres of the western corner as this is required by ramp users for boarding at all times.

Cruise to the Yacht Squadron

Alana Francis

Five boats from SKBC made the voyage to the Yacht Squadron including Storm Bay, Shilo, Bullet, Runrig and Sailfish, we were also joined by Courtney for the bbq Saturday evening. The trip around in the morning was a bit lumpy but those who came around later had better conditions. The return trip was great sailing even for those with slightly sore heads.

Looking forward to returning the hospitality from the RSAYS later this year
