## On the Waters

Pictures  
from Artemis

No, not the remains a beached whale, but the stage set for *Baleen Moondjan* at the opening of the 2024 Adelaide Festival on Glenelg Beach. This work relates the story from the Moondjan people of Stradbroke Island of a whale which came to take Granny Gindara's spirit on its final journey.

Well, Dash is obviously impressed!

*Who Knew 2* (Mark and Lisa) and *Artemis* (Paul, Alana, Carol, Peter) meet off Largs.
